About Beyond Limits

Beyond Limits is a nationally recognised provider of support to people with learning disabilities, mental health issues and other support needs.

We provide services in **Plymouth, Devon, Somerset** and **Cornwall** for people leaving institutions like hospitals and residential care homes. **We have an outstanding reputation** for supporting people said to have challenged conventional services.

We wrap services around people, providing truly tailor-made support. This means people have their own home, a real place in their community and control over their life and their future.

We've been recognised as an organisation providing exceptional personalised support by NHS England, Local Government Association (LGA) Learning Disability England (LDE) National Development Team for Inclusion (NDTi) and the Centre for Welfare Reform.

Is support work for me?

Having worked for Beyond Limits for a while I'd say there are two questions to ask yourself – how good are you at helping others and are you someone your friends call when they need something?

If, like me, you enjoy helping others and making a difference, a career in support work could make sense for you.

What does support work actually involve? Well it is what it says on the tin. You provide practical and emotional support to people so they can live a happy, independent life. This could be helping people who struggle with poor mental health, a learning disability or with relationships, it could be anything.

Two guarantees – no day is the same and making a difference to someone's life will make you feel happy inside.

Working with us

Working for Beyond Limits is incredibly rewarding, you will get the chance to make a difference to someone's life but we are looking for **excellence**, the people we support deserve no less.

You will be part of a team helping the person you support to:

- Find a job
- Make real friends
- Look after their home
- Manage their money
- Go on holiday

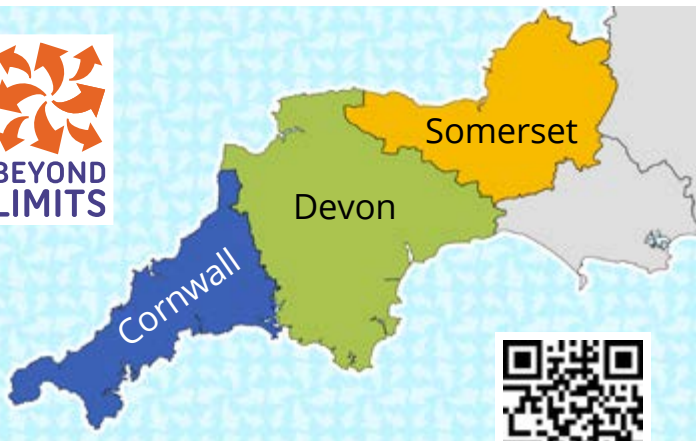

Benefits of working for us include:

- Excellent Starting Salary
- 7 weeks holiday per annum
- Sick Pay Scheme
- Robust induction
- Ongoing Personal Development
- Support and Supervision
- Career Development Opportunities
